### CHARACTER HOMES LTD.

#### Category 2: Kitchen

- A revamped curving raised island top created a space for a quick bite, as well as kept the seating away from the family room and traffic into it.
- Expanded storage was accomplished with a number of drawer banks, full height cabinets and a space saver microwave over the range.
- The family is well served with a computer / phone desk area.
- The new granite tops, tile backsplash, rich wood cabinets, slate and hardwood flooring all come together to create an enhanced feeling of warmth and elegance.
