## RENOVATION AWARDS

### OSWALD CONSTRUCTION LTD.

#### Category 6: Whole House

- 595 square feet of main floor space and 207 square feet of 2nd floor space were added on. 1921 square feet of existing home was renovated.

- The kitchen cabinet area and the table area were enlarged. New off-white lacquered MDF cabinets cover two walls with a dark stained maple island for contrast. Matching cabinetry separate the family room from the kitchen.

- Quartz based "Ceasarstone" was used for all the counter tops.

- The existing 2nd floor bathroom was enlarged and totally updated. Dark stained maple cabinets, quartz based counter tops, polished marble tiles, glass tiles and polished edge shower walls provide all the "pop" the client was looking for.

- Dark stained white oak (sand on site) hardwood was used in the kitchen, eating area, dining, living and family rooms.

- All wood carpet was used for the second floor spaces.

**VALUE OF PROJECT:**  
\$300,000.00
