LADCO COMPANY LIMITED

Since the 1950's, Ladco has been a pioneer in the land development business having developed a number of master planned communities, including Windsor Park (the first master-planned community in Winnipeg), Southdale (the first community in Winnipeg to feature man-made lakes), Royalwood (the introduction of the wetlands concept and preservation of more than 100 acres of boreal forest along the Seine River), Richmond West, along with South Pointe—Ladco's latest communities in southwest Winnipeg.
