

GARY PROSKIW, P. ENG

Proskiw Engineering Ltd.

Gary Proskiw of Proskiw Engineering Ltd. is a mechanical engineer with over 40 years of experience in building science, energy management, research and training. He has served on the Part 9 Committees of both the National and Manitoba Building Codes as well as several CSA and CGSB committees; and has spent a lot of time working with broken buildings (and broken building owners). Gary has a Bachelor's degree in Mechanical Engineering and a Masters of Engineering in Building Science.
